up tired getting dressed ,but then my mom said I was not going to school I asked why she said, "it was a secret" now I was really confused I did not know if I should be excited or scared. We got ready and we left some where.I did not really like the car drive even with the A.C on full blast it was still hot .Then to make it worse my little brother and sister started to fight.Finally I could not take it any more and I said to my mom,where are we going" she said, "Home depot".

When we got to home depot we got
